

2015 PRODUCT

CATALOG

All of **ATI's** products are manufactured in the **USA** at our facilities in southeastern Wisconsin.

Our vertically integrated manufacturing plants include a Molding Department equipped with Electric Servo Driven Plastic Mold Injection Presses with automated robotics, and a CNC Machining Department equipped with state of the art fully automated precision CNCs. Once our components are produced they are assembled and packaged in our assembly department. They are then shipped direct from the factory floor to customers throughout the world. Our company doesn't stop at manufacturing. ATI also bolsters its own Engineering and Product Design Team. Everything from Customer Service, to Tooling Maintenance, to Product Photography is performed under one roof. Trust ATI for all of your Gunstock and Firearm Accessory needs.

AR-15 FORENDS

Forend Patent# 8,215,046 B2

The possibilities are endless with ATI's **6 and 8-Sided Aluminum Forends**

What makes these forends revolutionary is the ability to **position rails at 45° increments** around the circumference of the forend to the exact position desired along the length of the forend. Install any accessory in any position that is most comfortable for you; your options to customize and add accessories are virtually infinite!

- Constructed of **Military Type III Anodized, 6061 T6 Aluminum**.
- Mounting long distance optics on the top rail location and a short distance sight onto the 45° rail location **makes switching between long range and short range targeting as quick as a twist of the wrist**.
- **Install accessories to the exact position of comfort**, no longer limited to rails at 90°.
- **Available in Carbine, Mid-Length Rifle Length or 15" Lengths**
- Compatible with ATI's **Aluminum Picatinny Rails Available in 2", 3", 4", 6", 9", 12" and 15", Both in Standard Military and Low Profile Heights**.

6-Sided Aluminum Forend Weights

Product	Weight
6-Sided Carbine Length Free-Float Forend A.5.10.1170	5.1 oz. 145 g.
6-Sided Mid-Length Free-Float Forend A.5.10.2537	7.1 oz. 201 g.
6-Sided Rifle Length Free-Float Forend A.5.10.1174	9.1 oz. 258 g.
6-Sided 15" Free-Float Forend A.5.10.1422	11.9 oz. 337 g.

* Forend weights do not include the weight of picatinny rails or accessories.

** Forend packages available with and without picatinny rails and assembly hardware.

8-Sided Aluminum Forend Weights

Product	Weight
8-Sided Carbine Length Free-Float Forend A.5.10.1140	5.2 oz. 147 g.
8-Sided Mid-Length Free-Float Forend A.5.10.2535	7.2 oz. 204 g.
8-Sided Rifle Length Free-Float Forend A.5.10.1150	9.3 oz. 263 g.
8-Sided 15" Free-Float Forend A.5.10.1420	12 oz. 340 g.

* Forend weights do not include the weight of picatinny rails or accessories.

** Forend packages available with and without picatinny rails and assembly hardware.

RUGER AR-22 STOCK SYSTEM **NEW 2015**

Scorpion Grip Patent # 8,561,338 B2
Forend Patent# 8,215,046 B2
Patent Pending Stock System

ATI's AR-22 Conversion Kit provides the ultimate make over for your Ruger 10/22. The AR-22 kit converts your Ruger 10/22 into an almost indistinguishable AR-15 Look-a-Like.

Receiver Mount

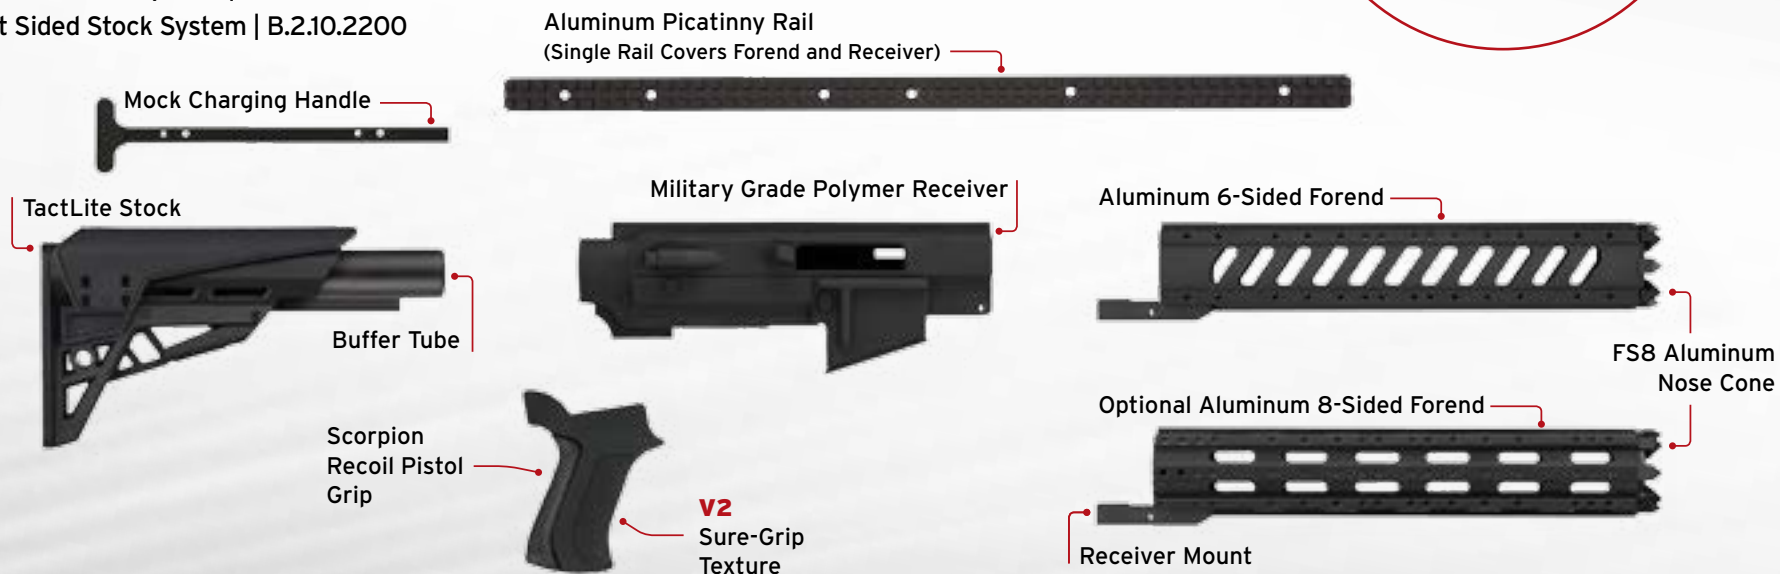

The Receiver Mount is the Key Support Point for the AR-22, which is enforced with the Aluminum Top Rail Spanning the Length of the Receiver Chassie and Aluminum Forend.

System Components

Akita Patent # D639,891S
Mount Patent # 6,374,528 B1

The PERFECT FIT

People come in all shapes and sizes, ranging from tall to short and everything in between, so why shouldn't your stock as well? No longer do you have to shoot a gun that doesn't fit you.

Shoot one that does! ATI's Akita Adjustable Stock has one of the longest AND the shortest lengths of pull in the industry! Perfect for every shooter, as the length of pull can be easily adjusted from 12 3/8" to 14 3/8". Now the stock that fits you while wearing a T-shirt in the summer heat can be easily adjusted to fit you while wearing a winter coat when the leaves turn brown.

- One Push of the Quick Release Button will Adjust the Length of Pull
- Adjustable Cheekrest for Added Comfort (1/2")
- Adjustable 4 Position Stock
- Adjustable Length of Pull - 12 3/8" to 14 3/8"
- Available in Black, Woodland Brown and Flat Dark Earth

*Fits CZ 712 (12 GA) and 720 (20 GA)
Hatsan Escort 12 GA Pump Action Models
Mossberg 500*/535/590/835 12 GA and 20 GA Models
Remington 870 12 GA and 20 GA Models
Winchester 1200/1300 and SXP 12 GA Models
Maverick 88*

*Forends on the Maverick 88 and newer model Mossberg 500A, B & C cannot be replaced because action bars are attached to forend.

One Push of the Quick Release Button will Adjust the Length of Pull

12³/₈" to 14³/₈"
Adjustable Length of Pull

Quick Release Button

The biggest complaint is that we hide the button too well.

Sure to be the perfect fit
for every sportsman...
of all ages and sizes!

ATI Quality

Because it's that Important to Us!

ATI Products are well known worldwide to collectors, hunting enthusiasts and members of the military and law enforcement. We have a long and proud tradition of total commitment to top quality and nothing less. All ATI Gunstocks are manufactured in the USA at our facilities in southeastern Wisconsin. Our products are easy to install, constructed with either Military Type III, 6061 T6 Aluminum or DuPont® Extreme Temperature Glass Reinforced Polymer and have a limited lifetime warranty.

To view ATI's Manufacturing processes, please visit

ATIGunstocks.com or visit [YouTube.com/user/ATIGunstocksUSA](https://www.YouTube.com/user/ATIGunstocksUSA)

Professional & Courteous Customer Service

Whether you're a new dealer or a lifelong customer of ATI products, you can always expect to receive the same high level of care and attention.

Military and Law Enforcement Discount

ATI wants to honor the brave men and women who are proudly serving our country as Military or Law Enforcement Officers.

Please contact one of our Customer Service Representatives at 800.925.2522 for more details on ATI's Military and Law Enforcement Discounts.

Lifetime Warranty

ATI's Limited Lifetime Warranty covers the product through the lifetime of the original purchaser.

The Limited Lifetime Warranty covers all manufacturers' defects. These warranties will cover any failure

or defect in the product, which is the direct responsibility of the manufacturer.

For a complete copy of ATI's Lifetime Warranty, please visit:
